XV. Insurance Filing and Release of Information

We will file all in-network insurance claims and will provide invoices for you to file out-of-network claims. Your signature below signifies you realize you will be responsible for all copays/deductibles/non-covered services on the date the service is rendered, if you are in-network.

It is also often beneficial for us to discuss examination results and to exchange information with other professionals involved in your care. Your signature below permits information from, or copies of, your examination records to be forwarded to other health care providers or insurance carriers upon their written request or upon the recommendation of Dr. Mackowsky when it is necessary for the treatment of your visual condition, or for the processing of insurance claims. I authorize Dr. Mackowsky to exchange information with other professionals involved in my or my child's care, by means of my signature below. This authorization shall be considered valid throughout the duration of treatment.

Patient or Parent Signature _____ Date _____

Relationship to Patient (if applicable):_____

Please be on time for your appointment to allow Dr. Mackowsky the full hour for her evaluation. Late arrivals will be rescheduled. We also request a minimum of 48 hours notification to reschedule an existing appointment. Thank you.
